lounge + table series

LIPSE TOO...plush comfort with style

Utilizing the classic shell shape of the award-winning Lipse Series, a fully upholstered version was created to offer exceptional seating comfort in the new lounge series ....LIPSE TOO  
The larger scale of these chairs are appropriately designed for pull-up chairs, which when combined with the complementary tables create an inviting lounge environment.

#### LIPSE TOO... complementing tables

To complement the classic styling of the Lipse Too seating, two different bases—pedestal and four-leg—with round and rounded square top surfaces are included in this series offering a unique low table height. Both tables are 400mm high, which is more in keeping with a cocktail table height. The tables are offered in a variety of top surfaces to blend with any décor.
