

toro

Specifications:

Toro – is pure passion for high quality, natural materials and the best workmanship. Toro not only stands for the highest level of comfort, it has also been developed according to the latest ergonomic findings and conforms to ISO standards EN 1335 parts 1,2 & 3.

The uniquely designed backrest assembly produced from the highest grade of beech veneers elegantly combines the backrest to the mechanism

A dynamic synchronised chair mechanism with side tension control, allows the user with comfort and ease to adjust the backrest tension when unlocked.

Other features include:

- Seat height adjustment
- Synchronised movement with 11 locking positions
- 26° of back tilt
- Seat tilt option of 10°

The cushioning sits perfectly with the body using Dunlop's ENDURO foam on the backrest and an innovative cold cure memory foam for the seat. Also a SCHUKRA lumbar support system can be fitted as an optional extra. The device can be adjusted both in height and lumbar support within the adjustment parameters.

Designer: Viasit

Lead time: 8-10 weeks
